10 - 12. sorularda, boşluklara uygun düşen ifadeyi aşağıda verilen parçaya göre cevaplayınız.

There are several reasons why I prefer online shopping. First, online stores have more product range than local stores. Then, they are never closed, so I can shop whenever I want. Another advantage of online shopping is that they sell at really low prices because they don't have operating costs like water, electricity, heating and employees. And finally, I don't need to drive to the stores, so I save on gas and parking bills as well.

10. The author prefers online shopping because - - - -.

- A) the products are more qualified
- B) he doesn't like the policy of local stores
- C) the products in online stores are cheaper
- D) he can't trust the salespeople in local stores
- E) he doesn't have a car to drive to local stores

11. We can understand from the passage that - - - -.

- A) advertising is a real problem for the local stores
- B) online stores are open at any time of the day
- C) the number of online stores is increasing
- D) online stores have limited product range
- E) the author owns a local store himself

12. The title for the text is - - - -.

- A) Benefits of Online Shopping
- B) Ways of Shopping Cheaper
- C) Try the Items Before Buying
- D) If You Have Money, Buy It
- E) Problems of Local Stores
