10 - 12. soruları verilen metne göre cevaplayınız.

FISH AND CHIPS

Fish and chips is a traditional and popular food in the UK. Also, it is a popular kind of fast food in some parts of the world. We know people began to cook fish and chips in the late 19th century. As the name says, it consists of fish fillet and peeled and sliced potatoes. You can see this dish at many restaurants in England and Wales. It is a common take-away food so you can buy it in a package and eat at home or workplace. In many restaurants there are more than one kind of fish, so customers can choose their fish. The chips are large sliced potatoes. They are larger than French fries. If you want, you can add a little vinegar and some salt.
