Trevor

In my opinion, the best way to spend a holiday is visiting different places. For example, first I am planning to visit the Hagia Sophia Museum this summer. It is a mixture of Ottoman and Byzantine architecture. Then, I will go to France to see Eiffel Tower. It is the symbol of France. My next station will be Niagara Falls. To me, it is a fantastic place. It is the international border between Canada and the United States. People say I should see New York city but I am not going to visit there. I will be very close but I don't like modern structures. My final station will be Mexico. Chichen Itza is one of the most visited, archeological sites in Mexico. I hope it will be a perfect holiday.
